ISOLA BELLA, ITALIA

VOL. 1, ISSUE 4

LETTER FROM THE EDITOR

Springtime means babies, Islanders! Check out our headline story for more about our newest resident.

It also means spring cleaning, and I've just learned that the cleaning crew will need two full days to complete deep cleaning on all of the villas.

Since we have to leave the island anyway, I propose we spend a few days in Venice. We can cruise the canals and compare Bellinis. Leave a note at Porto Veloce Provisions to join the party.

CULTURE & ARTS

Our talented local photographer, **Nico Cotone** (the young man who works in Porto Veloce Provisions), took the adorable portrait of Pinky and Birdie for our headline story. To view more of his work, visit the exhibition hall at his school, Polo Luciano Bianciardi at *15 Via Pian D'Alma*, in Grosseto.
